JUNE MEMORY VERSE

"And whatsoever you do in word or deed, do all in the name of the Lord Jesus Christ, giving thanks to God and the Father by him."

Colossians 3:17, KJV

From my heart to yours:

Sanctuary Siding Project

In Business Meeting on May 12, the church voted to approve a contract for \$68,000 to replace the siding on our Sanctuary. Most of the money will come from our Building Fund. Currently there is a shortfall of \$2,285.19. Gifts are encouraged from the congregation. If additional funds are needed by the time payment is due, they will be taken from the current Available Cash Fund balance. The timing is important since the cost of building supplies is increasing at an alarming rate.

At the same time, our Building and Grounds Team is studying the feasibility of replacing the ten Sanctuary windows with stained-glass or opaque (frosted) windows. This will come as a separate recommendation.

Prayer Ministry

When we built our new Office Building, we relocated our Prayer Ministry to a prominent place near the front door of the building. Our purpose was to spotlight prayer as a major commitment of our church. The Prayer Room has its own entrance for the convenience of those who come for prayer. Like other programs and ministries, our Prayer Ministry was impacted by the COVID virus. During this period, John Foust did an outstanding job keeping the ministry going. Now John has stepped down from his leadership role due to health reasons. Thank you, John, for your passion for prayer and your tireless efforts.

I am pleased to announce that Kendall Gilmer and Barbara Smith have accepted co-chair roles in our Prayer Ministry. Kendall will be the spokesman and promote the ministry, and Barbara (joined by her husband, Bob) will oversee the support role, looking after the prayer requests and assignments for volunteers. Prayer request cards are now back in the Sanctuary pew racks. So, we welcome your prayer requests, placed in the offering plates or returned to the church office.

Would you consider giving an hour a week to become a part of our Prayer Room Ministry? Contact Kendall, Barbara, or the church office for more information.

Fellowship Meal

You will note elsewhere in this publication that we will have a catered Fellowship Meal on Wednesday, June 16. You will be asked to sign up to attend, so we will know how much to prepare. Be assured we will practice safety protocols in serving this meal. I hope you will plan to be present.

Our Living Lord

Auguste Comte, a French philosopher and skeptic was ridiculing the English writer Thomas Carlyle about his faith in Jesus Christ. Comte brashly declared that he could begin a new religion to replace Christianity. "Very good," replied Carlyle. "All you need to do is to be crucified, rise again on the third day, and get the world to believe you are still alive. Then your new religion just might have a chance."

The resurrection is a hard act to follow! The good news is that Jesus Christ is alive and dwells in the hearts and lives of all who embrace him as Savior and Lord. We never go it alone. He is with us every step of the way.

Your Pastor,
Jon Stubblefield

CONFERENCE ROOM

Thank You

to the large group of volunteers who came on a Thursday morning and replaced Bibles, song books, Prayer Cards, etc.

to Elton Gray and Hilde Simmons for their expertise, and willingness to share it, in making the church grounds beautiful year-round.

On June 16 at 4:45 PM we will begin having a catered meal before our monthly Business Meeting. The menu for our first meal is chicken spaghetti, green salad, garlic bread and vegetable.

There will be no charge but donations will be accepted.

We would like to have members of the congregation whose last name begins with the letters A—G bring desserts for this month.

There will be a sign up sheet in the foyer or you can call the church office so we will know how much food we need.

Wow, it's hard to believe that summer is almost here! Here are some suggestions for summer reads:

Critical Care by Candace Calvert - After her brother's tragic death fighting a fire, former trauma nurse Claire Avery can't face going back to the ER. But when she must offer staff counseling after a propane explosion in a local day care center, Claire's plan self-destructs. She's back in the ER, battling painful memories-and the handsome and surly doctor who thrives on chaos. Dr. Logan Caldwell has learned to distance himself from painful emotion. He expects his ER staff to be as tough as he is, and when hospital administration sends a beautiful but pushy education nurse to offer counseling, he'll have none of it.

While We're Far Apart by Lynn Austin - While awaiting WWII's end, 12-year-old Esther Shaffer blames God for all her losses---including her mom's death and her father's choice to join the army. Meanwhile, her Jewish landlord grieves the passing of his wife---only to be accused of burning down his synagogue. Together, will these Brooklyn neighbors discover God's love---even when He's silent?

The Cimarron Legacy Series by Mary Conneally:

No Way Up - When Cimarron ranch patriarch Chance Boden is caught in an avalanche, the quick actions of hired hand Heath Kincaid save him. Badly injured, Chance demands that his will be read and its conditions be enforced immediately. Without anyone else to serve as a witness, Heath is pressed into reading the will. If Justin, Sadie, and Cole Boden don't live and work at home for the entire year, the ranch will go to their low-down cousin Mike. Then Heath discovers the avalanche was a murder attempt, and more danger might follow. Deeply involved with the family, Heath's desire to protect Sadie goes far beyond friendship. The danger keeps them close together, and their feelings grow until being apart is the last thing on their minds.

Long Time Gone - The Boden clan thought their problems had ended with the death of a dangerous enemy, but have they truly uncovered the real plot to take their New Mexico ranch? Rancher Justin Boden is now in charge. He is normally an unshakable and rugged man, but with his brother, Cole, shot and in mortal danger, even a tough man faces doubts. And it doesn't help that Angie DuPree, the assistant to the doctor trying to save Cole, is as distracting a woman as Justin ever laid eyes on.

Too Far Down - When an explosion kills men and damages the CR Mining Company, the Bodens realize their troubles are not behind them as they thought. Shadowy forces are still working against them.

Happy June!

WARRANTY WORK!!!

The last day of April Moser Construction sent a crew to repair the front parking lot. Where it had been cut to allow drainage pipes to be installed had begun sinking and caused a hazardous walking situation.

Bob Tolley, Supervisor, and some of their men were here all day completing this phase of the work. They returned later to haul away the debris.
