## From my heart to yours:

### Prayer Ministry

Recently, a member of our church family told me that he received a note from participants in our prayer ministry that he had been remembered in prayer. It touched his heart, he said, and made him thankful to be a part of such a thoughtful, loving, caring church.

We do have a Prayer Room where prayer takes place on a regular basis. Patty Prince is our capable Prayer Ministry Coordinator. Talk to her if you are interested in a regular, specific time slot to spend in our Prayer Room. S. D. Gordon has reminded us that we can do more than pray after we have prayed; but we can do no more than pray until we have prayed!

### Five Finger Prayer Plan

While on the subject of prayer, let me suggest an easy to remember prayer plan. I don't know who to acknowledge for this practical spiritual exercise.

Your thumb is nearest you. So begin your prayers by praying for those closest to you. They are in your thoughts daily, and so are the easiest to remember. To pray for our loved ones is, as C. S. Lewis once said, a "sweet duty."

The next finger is your index or pointing finger. Pray for those who preach and teach and heal. These include teachers, doctors and nurses, ministers, and missionaries. They need wisdom and support in pointing people in the right direction. Keep them in your prayers.

The middle finger is the tallest finger. It reminds us of our leaders. Pray for our President and for other elected officials. Remember those who serve in the military defending the freedoms we enjoy but sometimes take for granted. Finally, pray for leaders in business and industry and others who play an important part in shaping our world.

The fourth finger is our ring finger. Surprisingly, it probably is our weakest finger, as those who play the piano probably can testify. It should remind us to pray for those who are weak, or in trouble, or in sorrow, or in pain. They need our prayers continually.

Last of all is our little finger. It is the smallest of all. Therefore, it reminds us of where we should position ourselves in relationship to God and others. Your pinkie should remind you to pray for yourself.

### Space Study Committee

Our Space Study Committee recently received the report from our architect, Rik Sowell. Pray for the members of the committee as they study the report and prepare to bring recommendations to the church.

~Your pastor,

Jon Stubblefield

## BIOGRAPHY

**Scott** is originally from Niangua, MO. After High School, Scott attended Missouri State University in Springfield, MO. Music has always been a part of Scott's life and he has been singing since the age of 3. Believe it or not, Scott even sang in a Girl's Choir until age 15. **Scott's** four and-a-half octave range as a bass singer had not yet been discovered. "My Senior year of High School was the first time I was able to sing with a Boy's Choir," Scott admits. With a change in voice, **Scott** unleashed his four and-a-half octave range—singing as high as he does low—on the world of music to rave reviews. In college he performed with the MSU Traveling Choir and with the acappella group "**The Wingtips**", who appeared on the **Today Show**, **Good Morning America**, and the **CBS Morning Show** in 1990. Scott recalls that the last thing he ever expected to do was sing with three other guys. While Scott was with the Wingtips, he got to perform with the Legendary **Chuck Berry**, **Jerry Lee Lewis**, **Frankie Avalon**, and he even got to sing for then President **George Bush**.

**Scott** left **The Wingtips** in 1993 after receiving a call from one of the guys he sang with in Choir at Missouri State who was now singing with the gospel group **Chosen Few** at **Silver Dollar City** in Branson, MO. Scott soon accepted a position with Chosen Few and remained at Silver Dollar City until their final show in October 2001.

From 1993-1996 **Scott** and **Chosen Few** were the House Gospel Group at Silver Dollar City where they sang to over 2.5 million people every year. In 1996 Chosen Few won the "Nashville Starbound" Contest performing on the stage of the Grand Ole Opry. In 1997, SDC moved them to the 4000 seat Echo Hollow Amphitheater there inside the park where they headlined the 2 hour "Sundown Jubilee Show" 6 nights a week. They were awarded the **Show of the Year** in the 2001 Branson Fan Awards.

Even with a very successful show, the guys knew that God was calling them to a work far more precious than the lights of Branson MO. "We spent almost every night on our knees in our dressing room that 2001 season," Scott recalled. In November 2001, Scott and the guys left Silver Dollar City to begin their fulltime ministry on the road. From 2001-2005 Scott recalls them singing in over 1000 churches and civic organizations. They went Coast to Coast and even had the opportunity to do a crusade in Nicaragua where they witnessed a little over 2,100 people come to the Saving Knowledge of Jesus Christ. In November of 2005 God again was working on the hearts of the guys, but this time He was working on them in an individual fashion. "I knew that God had called me to preach in the 11<sup>th</sup> grade", Scott said. "I had just chosen to run away from that calling on my life". After being in front of millions of people over the last several years, Scott's heart was being re-tuned for the work that God would set before him. He knew it was time to once again to step out on faith and lean on the promise that God would make a way.

**Scott** is now traveling, **Singing, Preaching, and Teaching** all over the United States. He has a tremendous burden for the lost and a great burning to see our Churches Revived again. His passion for these things is very evident in his services.

"There are so many great things that God wants us to experience. It's my burden and my passion... to help people leave the "Valley of Regret" behind...and to re-direct them to their rightful place...At the **KINGS TABLE**"!

Scott still entertains in Branson, MO, at the Pierce Arrow Theater.

## PRAYER MINISTRY

The **Intercessory Prayer Ministry** completed its twenty-third year the end of January 2017. In 2016, our Volunteers in Prayer (VIPs) spent 454 hours praying in the prayer room for your prayer needs and the needs of others. Your prayer concerns are important to us! Be assured, every prayer request received is fervently prayed over and kept in the strictest confidence.

Do you have a prayer request? If so, simply fill out a *Prayer Request Card*, located in the back of each pew, and place it in the Offering Plate. Or, if you'd prefer, call the BRBC Prayer Line, 501-922-6436, to share your prayer request. We are so blessed to have a designated Prayer Line.

**Let's use it!** *(Please note, the Prayer Line phone/answering system recently malfunctioned and was replaced with a more advanced system. A special thank you to James Roberts for selecting, purchasing, and setting-up our new system so quickly).*

Do you have one hour a week you can spare to pray for others? Then contact Patty Prince, 409-988-4810, to find out how YOU can become part of one of the most vital ministries of our church — the **Intercessory Prayer Ministry**.

## VALENTINE'S DAY POTLUCK LUNCH, 11:30—1:00

### PURE WATER PURE LOVE CAMPAIGN

Pat Carpenter will share about how the Pure Water, Pure Love campaign helps missionaries and others with their needs for clear, clean, drinkable water. The primary goal of PWPL is to provide missionaries with water filters and the people they serve with wells that offer clean water, free from disease-causing microorganisms.

### HOPE MOVEMENT MINISTRY

The BRBC Women's Ministry Team will be collecting new shampoos, soaps and personal toiletry items for women participating the Hope Movement program in Hot Springs. The Hope Movement is a faith-based Christian ministry working with area women who have completed court-ordered requirements and/or drug rehabilitation programs and are ready to return to the community.

Terry Lawler, Interim Director, will share their aim of helping stabilize women and families by providing a support network.

**Ermma Campbell and Laiken**  
**25 Malaga Circle**  
**870-598-4528**

Ermma Campbell and her daughter, Laiken Boyd, recently joined Barcelona Road Baptist Church after they were "outnumbered" by a group of BRBC members at a yard sale and heard about the church family. The yard sale was at Ron and Joanne Kunath's house and Shelly Wagner was there, along with Jerry and Agnes Skinner. Ermma says she had been looking for a church home since she moved to HSV in August and she took their advice and tried the church and liked it.

Ermma lived in Glenwood while raising her boys, then moved to Michigan where her husband was from. She moved back to northeast Arkansas to take care of her mother. After her mother passed away, she decided to come to the Village to be closer to her grandchildren. Ermma has mostly worked in dental offices during her career and is now retired.

Ermma had two sons, one of whom lives with her. Her oldest son passed away in a motorcycle accident.

Her daughter Laiken attends school at Jessieville and has wonderful teachers there. Laiken has been involved in Special Olympics, and is a good bowler and swimmer, Ermma said. They hope to be more involved in Special Olympics in this area too.

Ermma has joined the Kunaths' JOY Sunday School class and is enjoying getting to know more people. She is looking forward to participating in Ladies Day Out and the other women's activities.

**Operation  
Christmas Child**  
A PROJECT of SAMARITAN'S PURSE

Because of the success of Operation Christmas Child in 2016 (315 boxes completed), BRBC is going to be collecting items in the same way this year.

We will have boxes in the Sanctuary foyer and the office hallway for donations. Items for each month will be publicized in the Banner and Sunday bulletin but any items may be turned in at any time.

Your help is needed to make sure this project is a success for reaching children and their parents around the world.

February the featured items are clothing such as baseball caps, socks, t-shirts, underwear, hats, scarves, and gloves.
