## Barcelona Road Baptist Church Multi-Year Master Planning

### West Side Master Plan Perspective

\* New Choir Suite Location  
\* West Sanctuary Wing Addition if required in the future

## BALLOT VOTE AT THE END OF MORNING WORSHIP JUNE 4, 2017

### JUNE

#### MEMORY VERSE

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

~Jeremiah 29:11 NIV

## From my heart to yours:

In November, 2015 a demographic study was conducted to look at projected population trends within five miles of Barcelona Road Baptist Church. The study concluded that net growth for our church could be at least 100 people during the next 5 to 10 years. At the same time, our church does not have sufficient Sunday School space to meet this need. Currently, all available classrooms are being used and some classes are almost filled to capacity. Wisely, the church elected a Space Study Committee to recommend a long-range Master Plan.

In August, 2016 the committee brought several areas of consideration to the church for further study by a professional architectural engineering firm. A fee of \$5,000 was approved to support this effort. The architectural firm presented its findings in January, 2017. Since then, the committee has reviewed the various options and costs.

The committee presented its report and recommendations on Wednesday, May 10. Follow up forum periods were held on May 21 and 24. The committee is grateful for the input by the congregation. A vote on the Master Plan by secret ballot will take place at the end of Morning Worship on June 4.

The Master Plan includes four phases over a multi-year period. **Phase 1** is the construction of a free standing Office/Administration Building at an approximate cost of \$538,500. The good news is that the church already has \$550,000 in hand for this project.

**Phase 2** is the remodeling of our existing Educational Building to provide needed Sunday School space. This project will be done as funds are available. The estimated cost for this work is \$30,000 to \$70,000, depending on the extent of the renovation. Current office space will be turned into classrooms, thus locating them near the Sanctuary.

**Phases 3 and 4** include a new Gathering Area Atrium connected to our current Sanctuary vestibule and a new Choir Suite. The church has had plans for the Choir Suite since 2010. The committee recognizes that these last two phases are down the road a ways and will require careful study and generous giving. Of course, church approval will be required.

As part of its study, the committee acknowledges the need for a canopy from the parking lot to the Sanctuary door on the west side. The estimated cost is \$5,000 to \$10,000. This project could be completed at any time.

Our church needs a Master Plan for the future. God would have us fulfill the Great Commission by being a church for all ages. Certainly, we will continue to attract retirees who move to the Village. What about younger families who in great numbers are making their homes inside the west gate? They are at our doorstep.

God has blessed us with a vision and resources. In the words of William Carey, the great missionary, let us "expect great things from God; attempt great things for God."

Your Pastor,

Jon Stubblefield

### UKRAINE CHALLENGE REPORT

**MAY 7, 2017**

**Glenn and Anna Grippe**

**Buddy and Janada Barnett**

**Marina Kupenko**

The **Intercessory Prayer Ministry** is a vital ministry of BRBC. Since January 2017, our *Volunteers in Prayer* have spent 214 hours in the prayer room praying for the needs of the congregation, friends, and neighbors. We have also rejoiced with you and thanked God for so many answered prayers this year!

If you have a prayer request, please fill out a prayer card located in the back of the church pews and place it in the offering plate during the church service. The newly re-designed cards are larger and more visible for your convenience. If you prefer to share your prayer request over the phone, you may call the Prayer Line at 501-922-6436. Every prayer request received is kept confidential.

A wooden prayer box, adorned with an inlaid cross, now sits atop the desk in the prayer room. Thank-you to Irey Dallas for designing and hand building this special box to hold the new prayer cards.

We welcome Anna Grippe, Betty Belin, and Betty Haywood to the Intercessory Prayer Ministry team. All three joined this year. Anna Grippe will serve as Co-Director and will be the primary contact while I'm on an extended trip until mid-November.

Is God calling you to become a Volunteer in Prayer? Do you have one hour a week you can spare to pray for others? If so, we invite you to join the Intercessory Prayer Ministry team! Contact Anna Grippe, (479) 966-7108, or Patty Prince, (409) 988-4810, for more information on how you can become part of this vital ministry.

## COME HEAR ABOUT JACKSON HOUSE!

The church family and community are invited to hear Suzanne Babbie, Volunteer and Administrative Coordinator at the Jackson House, speak at the Wednesday evening service, June 7. The presentation will take place in the fellowship hall, and a coffee and cake reception will follow.

Located at 705 Malvern in Hot Springs, the Eleanor Klugh Jackson House for Crisis Intervention Services, Inc., commonly known as the "Jackson House," is an interfaith community crisis center. The organization provides short-term emergency assistance for basic needs such as food, clothing, shelter, and medicine—without regard to race, creed, sex or nationality—and without imposing values or beliefs on those who are being served.

Jackson House is a private, non-profit, 501 (c)(3) tax deductible organization funded by local sources and does not seek government funds. They host pages on Facebook and have a web site at [www.jacksonhouse.org](http://www.jacksonhouse.org). They can be reached by phone at: (501) 623-4048. The group also benefits from two thrift stores: one located next door on Malvern and one located on Albert Pike Parkway in Hot Springs.

Several people from our church also volunteer with this organization.
