From my heart to yours:

New Building and Renovation

Members of the church staff have moved into our offices in the new building. We are still getting settled and some furnishings and equipment from the old offices are still finding a home. Drop in for a visit. We are ready to show you around. We are waiting to finish renovation of the old offices into attractive, functional classrooms before we have a dedication service. Hopefully, this will take place in November.

Prayer Ministry

Our church has had a prayer ministry for quite a number of years. We take seriously the words of Jesus, "My house will be called a house of prayer" (Matthew 21:13). S. D. Gordon once said, "You can do more than pray after you have prayed; but you can do no more than pray until you have prayed." I am aware of several prayer groups that meet in homes. Folks gather and quietly go about the practice of prayer on a weekly basis.

Our church also has a prayer room. Previously it was located at the back of our educational building. Now it has a prominent place in the new Office Building adjacent to the front door, with its own entrance. It is a warm, prayerful environment.

According to its stated mission, "The Prayer Ministry of Barcelona Road Baptist Church exists to glorify God by elevating prayer to its rightful place of priority and visibility within the church; by testifying to the community around us of our faith in a God of grace and power Who 'is able to do immeasurably more than all we ask or imagine'; by helping our members to grow in faith and obedience to God's will; by undergirding all the other ministries of the church and denomination with spiritual power; and by touching the world in a purposeful, powerful and positive way through prayer."

How can you participate in our prayer room ministry? You can choose an hour each week to come to the prayer room for a time of prayer. Members and guests fill out prayer cards each Sunday; and we also receive telephone calls requesting prayer. These requests are kept in the prayer room and maintained on a confidential basis. If you would like to become involved in our prayer ministry, contact John Foust, Chair of our Prayer Room Ministry, at 501-204-2829 or call the Church Office, 501-922-0692.

Audio, Video, and Projection Volunteers Needed

What do you see and hear from your seat in Sunday Morning Worship? You see and hear the

welcome and announcements, the children's moment, the deacon of the day, the music, including the choir and pianist, and the sermon. What is it you do not see or hear? You do not see or hear what is happening on the front row of the balcony. During the service, several faithful folks are involved behind the scenes enhancing our worship experience. We have three teams doing their work: audio, video recording, and video projection.

The audio team is responsible for the placement of microphones and the projection of sound so we can hear. One or more members of the team are stationed at the sound board for the Sunday morning and night services, prayer meeting, weddings and funerals, and other special occasions. Currently, Irey Dallas, Glenn Grippe, and Dennis Russell serve on this team. Occasionally, Lloyd Chapman, a dedicated worker from the past, is at the board. Glenn Grippe also oversees the audio reinforcement for the Celebration Service in Fellowship Hall.

The video recording team is responsible for our two camera operation (hopefully the preacher doesn't pace off camera!), transmission of the sermon to the big screen for the Celebration Service, the video recording of the service for posterity, and the uplink of the service to our website. Members of this team include Tony Gaston, Damian LaFargue, and Lloyd Thrash. Al Stout primarily has been responsible for website production. The team also is called in for weddings and funerals and other special occasions.

The video projection team is composed of Carolyn Gaston, Ron Kunath, BJ Robinson, and Lloyd Thrash. This team provides wonderful reinforcement to Sunday Morning Worship by what you see on the screens: the welcome and announcements, the words to the hymns sung by the congregation and special music by the choir and soloists, the sermon notes, and beautiful and meaningful art work to illustrate the theme of the service. At present, Carolyn Gaston is the primary person doing this important work, with others on the team in occasional back-up roles. BJ Robinson takes care of the Celebration Service.

We need volunteers in all these areas. Will you agree to serve? Those on board now are willing and ready to help train you. Contact one of the persons listed above, indicate your willingness to one of our staff members, or call the church office, 501-922-0692. Please make this a matter of heartfelt prayer.

Your Pastor,
Jon Stubblefield

MOVING AND ASSEMBLING

A very special thanks to all the many people who helped during the moving into the new office building. We could not have done it without YOU!

A dedication and open house will be held sometime this fall (probably November) so everyone can see the beautiful new accommodations. Renovation work has begun on the old offices in order to turn them into Sunday School classrooms.

This month, we are highlighting the works of Charles Heaton (Chuck) Allen. Chuck is a retired history professor (graduate of Baylor University) who also writes under a pseudonym, C Z Vardley. Chuck has graciously donated several of his books to our Library, shown below. Chuck says "I hope His Kingdom and BRBC's folks are well-served by the words I've penned".

by Charles Heaton Allen:

ROUNDBALL IN THE SQUARE HOUSE: A Junior College basketball team plays a team of rugged Texas inmates. Based on the author's experiences as that coach.

THE LITTLE TEAM WITH LOTSA STEAM: A high school JV baseball team has an unforgettable season in Austin, Texas. The author actually was the coach.

A QUINTET OF ADVENTURES: Four stories which feature animals (and one about an Air Force bomber). These critters aren't cuddly, though!

ACE RIVALS: Winner of a national award, this novel is based on historical accounts of air combat in WWII and Korea's 'MiG Alley'.

SEPARATELY TOGETHER: A Civil War trilogy which tells one story of the Civil War. Lovable and detestable characters prove that war changes people. The trilogy contains *Steel in the Cotton*, *Living Nightmares*, and *Friends & Brothers*.

BUGGY, SPANKY, AND BEEF STORIES: The adventures of four boys growing up in West Texas.

THE EXPANSION OF CHRISTIANITY: The complete history of Christianity, condensed to 340 pages. It's an excellent read for those of us who aren't seminary students!

By C Z Vardley:

BEYOND THE ICE WALL: Exciting science fiction tale which leads to Satan vs Christ show-down.

TWO SCI FI STORIES: Two pro-Christianity tales which anyone interested in space travel and/or inter-planetary adventures will enjoy.

5 TALES OF THE STRANGE & FAR OUT: No one can predict what these tales are about, but they'll grab your attention (and will hang in your memory)!

ALSO NEW THIS MONTH

We have a new series of books by Dana Mentink called "Love Unleashed". If you are a dog lover, you will really enjoy these Christian romances with dogs playing a prominent role. The series includes *Sit, Stay, Love*; *Fetching Sweetness*; and *Paws for Love*.
